

**CV-MP003**

**CCTV Accessoriy- Microphone**

Part Number	Picture	Description
CV-MP003		<p>Working Voltage: 6-12VDC                      Working Current : 12mA                      Frequency range:200-10KHz,                      Output Level: 0—6Vpp                      The line of signal the 75/3 video wire                      Transmission Distance: over 1000M  <b>Monitor area: 5-100 m<sup>2</sup></b>  <b>Size: Φ = 69mm, h = 39mm.</b></p>

**CV-MP004**

**CCTV Accessoriy- Microphone**

Part Number	Picture	Description
CV-MP004		<p>Working Voltage: 6-12VDC                      Working Current : 10mA                      Frequency range:200-10KHz,                      Output Level: 0—5Vpp                      The line of signal the 75/3 video wire                      Transmission Distance: over 1000M  <b>Monitor area: 50 m<sup>2</sup></b></p>

**CV-MP001**

**CCTV Accessoriy- Microphone**

Part Number	Picture	Description
CV-MP001		<p>Working Voltage: 6-12VDC                      Working Current : 10mA                      Frequency range:200-10KHz,                      Output Level: 0—5Vpp                      The line of signal the 75/3 video wire                      Transmission Distance: over 1000M  <b>Monitor area: 50 m<sup>2</sup></b></p>

**CV-MP011**

**CCTV Accessoriy- Microphone**

Part Number	Picture	Description
CV-MP011		<p>Working Voltage: 6-12VDC                      Working Current : 12mA                      Frequency range:200-10KHz,                      Output Level: 0—6Vpp                      The line of signal the 75/3 video wire                      Transmission Distance: over 1000M  <b>Monitor area: 5-100 m<sup>2</sup></b>  <b>Size:86 x 86 mm</b></p>

**MP013**

**CCTV Accessoriy- Microphone**

Part Number	Picture	Description
MP013		<p>Working Voltage: 6-12VDC                      Working Current : 10mA                      Frequency range:200-10KHz,                      Output Level: 0—5Vpp                      The line of signal the 75/3 video wire                      Transmission Distance: over 1000M  <b>Monitor area: 50 m<sup>2</sup></b></p>
